Leon Margolin, MD, PhD

Pain Management

The Ohio State University Comprehensive Cancer Center – Arthur G. James Cancer Hospital and Richard J. Solove Research Institute (OSUCCC – James) is the Midwest’s only dedicated cancer hospital and is one of only 40 comprehensive cancer centers in the United States as designated by the National Cancer Institute. Ohio State’s Comprehensive Cancer Center – James Cancer Hospital and Solove Research Institute is a founding member of the National Comprehensive Cancer Network and is consistently ranked by *U.S. News & World Report* one of America’s best cancer hospitals.

THE OHIO STATE UNIVERSITY COMPREHENSIVE CANCER CENTER – ARTHUR G. JAMES CANCER HOSPITAL AND RICHARD J. SOLOVE RESEARCH INSTITUTE

Ohio State’s Comprehensive Cancer Center – Arthur G. James Cancer Hospital and Richard J. Solove Research Institute proudly welcomes Leon Margolin, MD, PhD, to our Brain and Spine Multimodality Clinic and Center for Palliative Care. Dr. Margolin brings considerable expertise in medical management and interventional pain management to both teams. Dr. Margolin sees patients with deconditioning, radicular pain, cancer pain, pelvic pain, central pain and musculoskeletal pain. He also performs EMGs.

Education/Specialty Training:

Dr. Margolin received his medical degree and PhD from Hebrew University of Jerusalem in Israel. He completed an internship at Staten Island University and a residency in physical medicine and rehabilitation at Albert Einstein College of Medicine in New York City. Dr. Margolin completed an accredited interventional fellowship in pain medicine at the University of Pittsburgh.

He is board certified by the Accreditation Council for Graduate Medical Education (ACGME) in pain medicine and by the American Board of Physical Medicine and Rehabilitation.

Professional Highlights:

Dr. Margolin received a Physician’s Recognition Award from the American Medical Association, a Resident/ Fellow Award from the American Society of Regional Anesthesia and Pain Medicine, the American College of Physicians Award, the Medical Society of Pennsylvania Award, the Pfizer Scholars in Pain Management Award from the Albert Einstein College of Medicine, the Kaye Innovation Award from the Hebrew University of Jerusalem and a 2008 Patient Choice Award from Vitals.com. He is widely published in more than 30 publications and recently published a book on degenerative joint and disk research.

Dr. Margolin welcomes new patients and physician requests for consult.
To schedule a patient appointment, please call **614-293-3332**.
